

Special offer on the E-Z Climber™

PRODUCTIVITY AN ISSUE?

Get more done in your workday with the E-Z Climber™

Need to move heavy and/or bulky objects from room to room, up stairs or into or off of a vehicle? Many companies resort to equipment dollies and handcarts, which can have limited maneuverability, making it more time consuming to move objects. Fighting a dolly to get around a sharp corner is not the most productive way for your team to spend their day. Get more done in your workday – turn to the AEUP E-Z Climber, an indispensable partner for companies looking to increase productivity. Added bonus – the E-Z Climber will also help lower the risk of injury and property damage.

The E-Z Climber is ideal for diverse applications, including specialized industries such as:

- Construction
- Safe/Vault suppliers and movers
- Furniture movers
- Office equipment movers
- Beverage distributors

Productivity = profit. Don't settle for less. [Contact us](#) today at 843.388.2556 to take advantage of special pricing through February 28, 2018.
