**EXPERIENCING CHALLENGES MOVING
PERSONNEL OR MATERIALS?**

We have the solution.

Is it taking too long for your team members to get from point A to point B? Need a more productive solution for transporting inventory or materials on site? Looking for an easier way for workers to tow pipes, carts or other unwieldy items? We have the solution – Zallys® electric utility vehicles. The affordable, safe and reliable solution to help you move more and increase productivity and profits.

Zallys® Electric Personnel Carriers

Whether picking orders or transporting personnel, Zallys line of electric personnel carriers will safely transport up to 1,100 lbs and tow up to 5,500 lbs.

Zallys® Electric Tow Vehicles

Zallys unique line of electric utility vehicles can push, pull or steer wheeled loads up to 33,069 lbs, increasing productivity with less strain on your team.

Zallys® Electric Load Equipment

Increase productivity while safely and efficiently moving materials up to 4,409 lbs. with the Zallys line of electric wheelbarrows and loading equipment.

Call us today at 843.388.2556 to take advantage of special pricing through March 31, 2018. Together, we can find the right solution to solve your daily challenges.
